Test Guide: Criterion 6

Faculty Contributions. About 20 minutes.

Before you start

1. Open **http://127.0.0.1:5500** in your browser (type `127.0.0.1`, not localhost).
2. Click **Sign in**. Email `hod@college.edu` Password `password123`
3. In the menu on the left, click **Criterion 6**.
4. The test files are in the folder **Test_Files/C6** that came with this guide.

If a number looks old, press Ctrl+F5 (Windows) or Cmd+Shift+R (Mac).

Step 1: See where you start

Click **Evaluate Criterion 6**. You should see a total of about **24 / 120**. Only the rows worked out from faculty records have marks.

Step 2: Type the numbers

How to type a value: on the row click **Inputs**, type exactly what is shown in the box named, then click **Save and re-evaluate**. Copy and paste the text to avoid typing mistakes. Do the rows **one by one, in order**; do not skip a row.

Row	Box name and what to type	You should see
6.1.1	`reviewer score` : `4`	**PASS** 4 / 5
6.1.2.1	`yearly count` : `[3,4,5]`	**PASS** 5 / 5
6.1.2.2	`yearly attendances` : `[5,4,6]`	**WARNING** 3.33 / 5
6.1.3	`reviewer score` : `5`	**PASS** 5 / 7
6.1.4	`certified students` : `20` `total students` : `60` `reviewer score` : `6` `boundary resolved` : `true`	**PASS** 6 / 8
6.1.5	`programs` : `[{"duration_days":5,"year":2026}]`	**FAIL** 2 / 10
6.1.6	`participating students` : `30` `total students` : `60` `reviewer score` : `6` `boundary resolved` : `true`	**WARNING** 6 / 10
6.1.7	`trained students` : `30` `total students` : `60` `reviewer score` : `6` `boundary resolved` : `true`	**WARNING** 6 / 10
6.2.1	`quality score` : `4` (publication count is automatic)	**PASS** 8 / 10
6.2.2	`enrolled count` : `2` `graduated count` : `1`	**WARNING** 3 / 5
6.2.3, 6.2.4, 6.2.5	nothing (automatic from faculty records)	6.2.3 **FAIL** 2 6.2.4 **PASS** 15 6.2.5 **FAIL** 3
6.2.6	`received lakhs` : `5` `utilized lakhs` : `3` `boundary resolved` : `true`	**WARNING** 3 / 5

Step 3: Upload the documents

1. Scroll down below the requirements table to the box called **Evidence documents**.
2. Click **+ Upload evidence document**.
3. Type any title, choose a file, and in **This document proves requirement** choose the **same number** as the file name (file `6.1.1_...` goes with requirement 6.1.1).
4. Click **Upload evidence**. The file appears with a green tag **Proves 6.1.1**.

Upload all 14 files (6.1.1 to 6.2.6).

You passed the test if: Evaluate Criterion 6 shows about **71.3 / 120** and all 14 files show **Proves**.

Last check (after testing Criteria 3, 4, 5 and 6)

Scroll down the left menu to **Virtual Inspection** (or open **http://127.0.0.1:5500/dashboards/inspection.html**) and click **Run Virtual NBA Inspection**. You should see about **339 / 460 marks (73.8%)**, status **NEARLY READY**, and **0 requirements without evidence**.
